## Thanksletter

*Dear Reverend Father Christopher!*

I thank you cordially for your letter, by which I noticed your help in amount of 2.320,- USD for our Archeparchy.

Your help came in preparing time for chirotony of my new Auxiliary Bishop Milan Lach SJ who was named by Holy Father Francis on April 19, 2013. This is the reason why this thankletter comes a little bit later.

Donated mass intentions will be delivered to those our priests who have no parishes because they are reserved for special pastoral or for priests who have in own parishes very little intentions.

I express my great gratitude also for your gift for our Seminary, in which are studying now 87 seminarians from all three eparchies, but only for Archeparchy of Prešov are studying 69 seminarians.

Father Zugger, for you and your believers I pray abundant of God's blessing and grace, Protection of Holy Theotokos and I grant Archbishop's blessing.

*Sláva Isusu Christu*
